2011-2015 Serve alongside of Charlie Hornick in pastoral ministry. Side by side ministry I am learning is such a powerful tool and teacher.

My Passion:

I have a dual passion for preaching the Word of God and people; specifically the family. I have a desire to see fathers/men take the role of spiritual leader in their homes. I long for families to be strengthened and encouraged by God's Word in their homes and in the Church, the Family of God. I strongly seek to be influential and active in helping plant churches in areas where it is needed most.

Life verse:

Psalm 37:4

“delight yourself in the Lord and He will give you the desires of your heart.”

My Life Work Vision Statement:

As I continue in ministry I have a stronger desire to see the Word of God handled accurately and the family unit become stronger. I want to see the local church empowering men and women through God's Word to lead their homes in a manner honoring to Christ. God's Word must be first in my life and home before I can lead this way in the Family of God.
